THE BOOSTER CLUB KICKS OFF THE 2009 SEASON WITH SPRING TRAINING WARM-UP DINNER

For the eleventh consecutive year the Lansing Lugnuts Booster Club will host the Spring Training Warm-up Dinner. The event will take place this year at Fire Mountain, 730 Elmwood, across from the Lansing Mall. Information and a reservation form are included with this newsletter. We will meet on Saturday, February 21st from 2:00 to 4:00 in the afternoon. Some of the Lugnuts staff members are planning to attend. They will announce the new additions to Oldsmobile Park this year as well as exciting new promotions for the 2009 season.

Again this year, Dan Urbane has developed a CD of player pictures with their 2008 stats, and a DVD filled with

pictures of players and our activities last season. We will preview these at the dinner, and those who pay their 2009 membership dues on or before the date of the dinner will receive their copies to take home. All members for the 2009 season will receive these gifts when dues are paid.

Just as last year, dinner will be on your own. Fire Mountain requires payment at the door. Dinner is buffet style and we should be seated in a private room. For further information on club activities, please see the tentative calendar of events on the back page. Once again we have an active season planned for our members and the team.

For your convenience,

2008 Caravan to Ft. Wayne

membership dues may be paid at the dinner. Just a reminder that membership dues for 2009 must be paid no later than March 31 to remain in good standing with the club and enjoy our activities. As in the past, dues are just \$35 for a family and \$20 for individuals. The money raised from membership dues pays for our activities which support the team.

BOOSTER CLUB HAS MORE ACTIVITIES FOR 2009

The club has made some changes to our calendar for this season. We have reduced the number of meals we will have with the team to five, one each month. This was to give us the opportunity to do more things as a group. The tentative calendar is listed on the back of this newsletter.

This season we are planning several activities which will be held around the games but without the team. We plan on having a few tailgates, both in Lansing and on the road, and a Caravan to Fort Wayne near the end of the season. Details regarding these activities will be announced as soon as they are available.

As always, we are looking for volunteers to assist with the planning and if you have ideas for other activities we would love to hear them! Our hope is to provide more opportunities for the group to gather and get to know each other. Other activities may be added at the discretion of the membership.
